

### **AAUA Matriculates 3,500**

A total of Three thousand and five hundred (3,500) out of the over twelve thousand candidates that applied to the four Faculties of the University were matriculated last Wednesday 9<sup>th</sup> April, 2008. The Vice Chancellor, Prof. Philip Abiodun, while urging the students to see their admission as the Lord's doing charged them to concentrate on their studies and operate within the law of the University. He assured them of the University Management's support at all times as they strive to live peacefully with the host community.
